

BWARS

Bees, Wasps & Ants
Recording Society

BWARS Annual Scottish Gathering Friday 24th to Sunday 26th July 2020 SRUC Ayr Campus

The program will include a series of short talks on local topics, a microscope workshop on some interesting species and outings to record or collect specimens. This event is open to all BWARS members and anyone who wishes to improve their bee, wasp or ant identification.

There is no charge thanks to SRUC supporting the event. Neither lunches nor overnight accommodation are provided but there will be light refreshments.
